California Chapter, ASFMRA Scholarship Program for Members Pursuing Accreditation

Program Guidelines

- Eligibility:** California Chapter ASFMRA members pursuing an ASFMRA designation are eligible to receive scholarship funds.
- Eligible Courses:** ASFMRA sponsored courses or courses sponsored by other organizations' that are accepted by Denver for accreditation are eligible for the scholarship program. Courses must be taken for the first time and audits and challenges do not qualify.
- Scholarship:** 100% of tuition will be paid if course is taken in California. Tuition will be paid to Denver in advance of class.
- 100% of tuition with 50% of room and travel (airfare or train only) up to a maximum of \$500 will be paid if course is taken outside of California. Scholarship will be paid to candidate with receipts in arrears of class.
- Preference:** Scholarship priority will be given to independent operators and first time applicants. There is no limit to number of scholarships awarded per member for classes going towards accreditation.
